Lucia Jayne

Boulder, CO

(970) 710 – 9549 | luciajayne11@gmail.com | linkedin.com/in/luciajayne | github.com/luciajayne

Human-Centered Computing Master's degree student with an academic background in Computer Science and Business. Additionally, several customer-facing experiences working in fast-paced environments such as five-star hotels, education and healthcare have strengthened my client relationships skills.

Software Skills

Object-oriented (Java, C++, Swift, Phyton)	UI/UX design tools (Figma and Adobe XD)
Web Technologies (HTML, CSS)	Project Management Software (JIRA)
JavaScript Frameworks (React.js)	Version Control (GitHub, BitBucket)
Design tools (Adobe Creative Suite)	Data Analysis (R, Tableau)
Database (MySQL).	Cloud Technologies (Docker, AWS)
Low-level programming (C, Assembly)	CRM (Salesforce, Hubspot)

Experience

UI Developer Intern, Sovos   Jun 2021 – Aug 2021
- Update the component library using React, develop Storybook and connect it to AWS.

Software Developer Volunteer, Code for Boulder   Jan 2021 – Jun 2021
- Utilize React to help with the development of 'Upswyng,' a mobile-ready, digital directory of resources to assist the unhoused and at-risk communities in Boulder County.
- Setup and manage their Hubspot account.

Assistant Accounts Manager, Colorado Mountain College   Oct 2019 – May 2020
- Performed accounting functions, coordinated student services, and reviewed account reconciliations.

Flight Across America Program   Oct 2019
- Connected with local leaders in the San Luis Valley to learn and discuss sustainable solutions for the challenges they face when managing and protecting the waters in Alamosa County. Produced a video and explained the importance of support for this program to Eco-flight's national board of directors.

Group Fitness Instructor, Elevation Corporate Health   Mar 2019 – Mar 2020
- Developed positive relationships with class participants by teaching a variety of challenging and entertaining group fitness classes.

Spa Assistant Manager, The Little Nell   Aug 2017 – Oct 2018
- Ensured the spa team provided a five-star level of service.
